

ENHANCING SECURITY AND COMPLIANCE WITH SAFE ESCROW®

Safe Escrow® is the new way to fund. This technology provides funding management, allowing us to focus on our clients and service.

Safe Escrow® ensures compliance with state and federal laws, as well as ALTA Best Practices, so you can rest assured your funds are being handled appropriately.

Wire fraud is rampant in real estate. Safe Escrow®'s SafeValidation™ technology safeguards your money and confirms payoff wires are routed to the correct payoff institution.

Getting paid is easier than ever. Safe Escrow® produces checks in PDF format, so all you need is check stock to print your checks and get paid!
